

Colorado Crossroads (Denver, Colorado Feb 27-29, 2016)

www.coloradocrossroads.org

Here are some helpful instructions on how you as parents can reserve a room under our teams' blocks' through THS website.

1.) Go to www.thsweb.com

2.) Enter that long P-number at the top of the screen where it says "Parent Reservation Passcode" and then click "Manage Reservation"

Parent Passcode:

18Black: P11457083209230

Hyatt House Tech Center – Englewood, Colorado
9280 East Costilla Ave
Englewood, CO 80112

Free Breakfast

2 bedrooms with a king bed in each, 1 queen pull out couch (3 total beds)

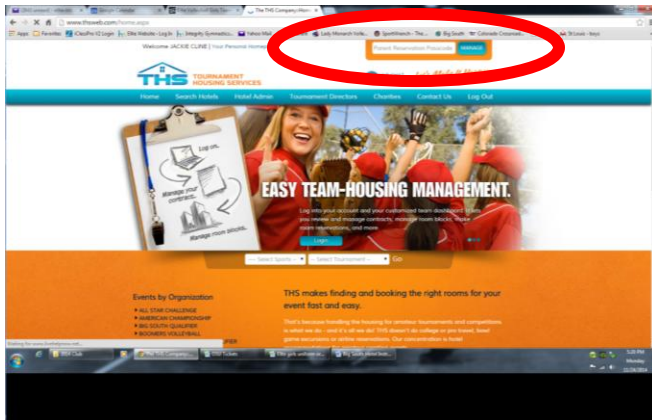

Full Kitchen in each room

Living Room/ Common Area in each room

Approx 15 miles from Convention Center

\$129/night plus tax

****Your credit card will be processed for one room night on 30 days prior to arrival**

3.) This will bring each parent to your team's hotel room block where they can enter all their information in a personal cell.

4.) After they are done entering their information they would just need to click on the "Add" button on the left hand side of the cell.

5.) A confirmation email will be sent to the email address they enter. Note: It does take a few minutes to receive.

If you do not receive a confirmation email or prefer to make reservations over the phone have them call our reservations department at [\(888\) 536-8326](tel:8885368326), and make sure they reference that long P-number. That way we'll be able to place them into your team's block.

Deadline: 1/1/2016
