Congratulations! You have been selected to one of the Elite Volleyball Training Center Teams.

The following form will lay out what you need to do next.

1. **Accept or Decline your Contract:** You will need to email us at elitevbtc@integritygym.com to accept or decline your spot on the team. Please know that once an email is sent accepting the position, that email becomes the binding contract. We ask you to read/sign the paper contract you received, even if you signed an early contract, and return that to Elite at the uniform fitting. If you would like to decline your offer, we ask you contact us as soon as possible so we can contact the next athlete waiting to hear about a position on the team. If we do not hear from you by the date announced at tryouts, we will move on to the next athlete.
2. **Uniform Fitting/Payments:** The initial down payment listed in the team handbook is due once you accept your contract. We will be hosting a Uniform Fitting/Parent Meeting as soon as all spots have been accepted for the team. Things you will need to do to prepare for this meeting.
 - a. All payments will be taken online through a system called, "Groundwork." You will have the option to pay with ACH or credit card. Credit card payments are subject to an additional fee. Your Commitment Deposit is due immediately. You will receive an email from Groundwork explaining how to set up your account. You will receive a second email on January 1 laying out the remainder of the payment plan. If you choose to pay in full at that time, you will receive a \$100 discount. Payment Plan options are available, and the schedule is listed in your team handbook. Monthly emails will be sent to remind you that your payment will be processed.
3. **USA Volleyball and AAU Memberships:** Please wait to update your USA Volleyball and AAU Volleyball memberships until we send out additional instructions. The entire process changed this year. We don't want you to spend extra money if it is not needed.
4. **Tournament and Practice Schedules:** We are registering for tournaments, but we are unable to post them on the website yet because some teams may still be in a "pending" status due to the guidelines observed in different cities and states. We will let you know as soon as we know that a team is confirmed as accepted. The website will continue to be updated also. Practice schedules will be posted to the website as soon as we know how many teams we are able to field for the year.
5. **Hotel and Travel Arrangements: All athletes must be accompanied by an adult or guardian to tournaments.** We understand you want to get a head start on travel arrangements and booking your hotels. Please use the following guidelines when finalizing travel arrangements. We will send hotel instructions out via email.
 - a. **Stay to Play Tournaments:** These are tournaments that require us to use their housing services to book rooms for teams. EliteVBTC staff will make a large block for the club and send you instructions on how to book your individual rooms
 - b. **Non-Stay to Play Tournaments:** We will label each tournament as a Stay to Play or Non-Stay to play. If it is not a stay to play tournament, you are welcome to stay at any hotel, condo, VRBO, AirBnb or friend's house.
 - c. **Flights:** All tournaments this year will be accessible by driving. However, if you choose to fly, your athlete will need to arrive to all out of state qualifiers the day prior to the start of the tournaments. All flights should leave after 6:00pm the last day of the tournament. Please plan your flight/travel arrangements accordingly.

If you have questions regarding the team, please contact Randy Cline at 614-504-5363 or by email at elitevbtc@integritygym.com. If you have questions regarding billing, please email us at Jackie@integritygym.com. We will be having a uniform fitting meeting soon. This information will be posted to the Elite Club Team page on the www.elitevbtc.com website.
