Tryout Procedure
10U-18U tryouts

Prior to Tryouts:

- Make sure you have filled out the tryout form online and paid. We will accept Drop-ins, but the fee will be increased to $50/athlete.
- Have her arrive ready to start on the court. Leave bulky bags in the car.

Parking

- If all the spaces are filled at the Volleyball Center parking lot, please park at Integrity Athletics (two buildings over) and walk your athlete to the Volleyball Center. Plan to do the same thing at pick-up.
- Do not park in any unmarked areas or at any other businesses. Your car will be towed at you expense.

Check-In

- She will be assigned to a court once she has checked in.
- She will bring her water bottle and all her belongings with her to that court.
- Parents may leave the building out the back door. If your athlete is selected to a team, there will be a parent meeting that follows

Team Selection and Parent Meetings

- Athletes not selected to a team will be considered alternates, and they will exit the building through the back exit. Remember, there are always athletes who accept and decline contracts. If your dream is to play for Elite, just hang tight. We will call and or email you if a spot becomes available. The website will be updated in real time as athletes accept their contract.
- All athletes selected to a team will remain in the building. These athlete's parents should re-enter the building through the front door and stand with their athlete for a short parent meeting. We will ask your athlete to text or call you if they are selected to a team.

Questions:

- On the day of tryouts, please email us with any questions at elitevbtc@integritygym.com
