Congratulations! You have been selected to one of the Elite East Club Teams.

The following form will lay out what you need to do next.

- 1. Accept or Decline your Contract:** You will need to email us at rob@elitevbt.com to accept or decline your spot on the team. Please know that once an email is sent accepting the position, that email becomes the binding contract. We ask you to read/sign the paper contract you received, even if you signed an early contract, and return that to Elite at the uniform fitting. If you would like to decline your offer, we ask you contact us as soon as possible so we can contact the next athlete waiting to hear about a position on the team. If we do not hear from you by the date announced at tryouts, we will move on to the next athlete.
- 2. Uniform Fitting/Payments: Uniform Fitting/Payments:** The initial down payment listed in the team handbook is due once you accept your contract. We will be hosting a Uniform Fitting/Parent Meeting as soon as all spots have been accepted for the team. Things you will need to do to prepare for this meeting.
 - All payments will be taken online through a system called, "iclasspro." Your initial deposit of \$600 will be posted to your account for payment at the time of commitment. The remaining invoices will be posted once the team is filled. At that time, you can pay your fees in full or take advantage of the payment plan option. If you choose to use the payment plan, we will process that automatically on the due date to the payment method you have stored to your account in iclasspro.
 - Athlete must be present to try on uniform samples
 - Shoes are available for order
 - Update USA Membership: see below
 - Sign Contract and bring any paperwork missing from tryout paperwork
- 3. USA Volleyball:** Please update your USA Volleyball memberships through SportsEngine. You can find this information under the "Register" tab on the www.ovr.org site. You can expect an email from SportEngine asking you to accept your invitation to join our club. Please do not ignore this email.
- 4. Hotel and Travel Arrangements: All athletes must be accompanied by an adult or guardian to tournaments.** We understand you want to get a head start on travel arrangements and booking your hotels. Please use the following guidelines when finalizing travel arrangements. We will send hotel instructions out via email.
 - Stay to Play Tournaments:** These are tournaments that require us to use their housing services to book rooms for teams. EliteVBTC staff will make a large block for the club and send you instructions on how to book your individual rooms. **All instructions will go live on the website on November 1 at 10:00am.**
 - Non-Stay to Play Tournaments:** We will label each tournament as a Stay to Play or Non-Stay to play. If it is not a stay to play tournament, you are welcome to stay at any hotel, condo, VRBO, AirBnb or friend's house.

If you have questions regarding the team, please contact Rob Leon by email at rob@elitevbt.com. If you have questions regarding billing, please call us at 614-504-5363 or email us at allan@elitevbt.com. We will be having a uniform fitting meeting soon. This information will be posted to the Elite East Club Team page on the www.elitevbt.com website.
